Dear Valued Customer,

It has been a pleasure to serve you in the past, and we look forward to doing business with you in the future. Our first aim is to please our customers. Unfortunately, we are left with no alternative but to increase our tipping fees. Beginning July 24, 2017 our tipping fees will increase from \$53.00 a ton to \$60.00 per ton (.03 per lb) and our minimum charge will increase from \$5.00 to \$7.00. The increase in tipping fees are needed for the rising costs of daily operational needs, facility maintenance and the increase in tonnage of waste being transported out of the County.

If you have any questions or concerns please call Shannon Harris, Solid Waste Director.

Sincerely,
Shannon Harris
Solid Waste Director
